

# ACERT Workshop

(Free to those who register)

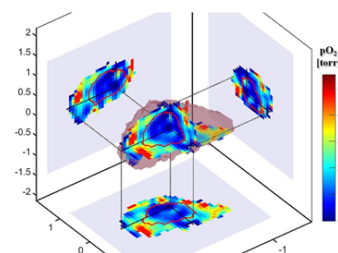

**Dr. Mrignayani Kotecha**  
President and CEO, O2M Technologies  
[www.oxygenimaging.com](http://www.oxygenimaging.com)

## *EPR Oxygen Imaging and Applications to Biomedical Sciences*

The talk will be focused on the basics of pulse-mode electron paramagnetic resonance oxygen imaging (EPROI), its similarities/differences with MRI, historical and emerging applications of EPR oxygen imaging in biomedical sciences.

Hosted by:

**Michelle L. Delco, DVM, PhD, DACVS**

Department of Clinical Sciences

Cornell University College of Veterinary Medicine

**Thursday, Feb. 27, 2025**

**Powell Classroom 6, S1-222 - Schurman Hall, College of Veterinary Medicine**

**Free Workshop  
Registration**

12:00 - 12:30	Check in and Lunch
12:30 - 1:30	Talk
1:30 - 2:00	Instrument Demo
